About Me

I am a proactive, communicative, and committed individual who enjoys developing new skills and continuing to learn. I would highlight my agility in being solution-oriented and adapting to situations quickly, in order to make the best decisions based on data and current needs.

Experience

Movistar Store Commercial
Movistar, Madrid 05/24 - Current

- I manage a large client portfolio with the utmost discretion.
- I advise clients and ensure they have an excellent experience.
- Problem solving.
- Sales of services and products tailored to the client.

Data Analysis Internship
Keepler Data Tech, Madrid 02/24 - 04/24

- I collaborated with the team in cleaning the data so that it could be used for analysis and data-driven decision-making.
- Solving complex problems using Python and SQL technologies.
- I collaborated on data visualization using Power BI and Tableau.
